

Another Southland Success Winner of the Southland Export Recognition Award 2006

From humble beginnings in 1987 began the development of a brand that was to set world-class standards in aluminium rigid buoyancy boat design and construction.

Stabi-Craft extend an invitation to visit their premises and see where they produce their world-class boats.

This is your unique opportunity to view the process from design stage to completion.

Date: Wednesday 1 October 2008
