Fisher and Paykel - The Quantum leap

Guest Speaker

Chris Staynes

General Manager F & P Appliances

Fisher & Paykel is a successful engineering technology icon. Not only setting trends of product excellence in innovation technology and design but in productivity, export and delivery to the market of the customer needs.

Chris has been General Manager of Fisher & Paykel Appliances Dunedin since 1986. He has overseen the growth of the operation from a small manufacturing plant producing 3,500 products a month to a dynamic 27,000 product a month 65% export lead business. The site employs close to 700 staff designing and manufacturing appliances which are marketed world wide.
